Dear Zen Cart Webstore owner,

Not everyone uses Zen Cart™, so you have made a great choice, and it just got better. Now you can get online banner adverts showing **your products**, for you to use where you choose.

This is a special invitation for you to have innovative and eye-catching automatic adverts.

Use them in your **emails**, in blogs, in Facebook or MySpace and even on eBay.

**For free.**

Fresh, every time - Dynamic Adverts™ automatically combine product details from **your** ZenCart store to create an instant, brand new advert, the moment someone views it.

Remember -“Sales only happen if someone sees what you sell”

With Dynamic Adverts, you get to choose from a wide selection of banner styles, all professionally designed to match with your existing image. There are also many other ways to make advertising so much simpler:

- Over 60 Templates including 15 high-tech and 15 office looks, so all you need do is select the best style for your business. A clean, professional look is guaranteed.
- Statistics Stored for You to See Whenever You Want. The never-ending question when you use emails is ... “Does anyone read it?”. Now you will know if emails are opened, and people will immediately see your professional adverts.
- Bestsellers Updated Instantly. Once you are using this convenient service, our automated system will serve your adverts immediately, even showing your current **best-selling items** if you choose.
- Added New Products to Your Shopping Cart? Your adverts are quickly updated. If you put in a new product, or remove one then you can rest assured that the adverts shown will reflect this change.
- Unlimited views of your adverts. Set things up just once and know that your online business will be represented in the best way possible without putting a load on your own computers or time. Your adverts will *always be up-to-date*.
- Enjoy Rapid Changes to your Ad. As a user of Dynamic Adverts, you will have access to our full range of templates, and when you select a new look, anyone who views your ads will see that style immediately, with *no effort* from you.

**Over Please.**

Extras like these only begin to tell the story of AdvertSolutions Dynamic Adverts ease of use and consistency of style. With automatic links to your own shopping cart, you'll also enjoy:

- Unequaled Flexibility. Your shopping cart items will be shown off at the highest quality, wherever you place them, and whenever they are viewed.
- A Worldwide Welcome. Blogs, E-mails, Ebay™, MySpace, static websites, forums, banner exchanges and a whole host of other parts of the Internet will welcome and show your latest Dynamic Advert – anywhere that can display a picture is compatible.
- Advertising Budget Freedom. Unlike traditional advertising, there is no need to pay for changing your adverts – the adverts do it automatically. In fact, you can use our service for FREE, simply **by signing up online**. Showing off your business has never been simpler or easier.

In a few words, AdvertSolutions Dynamic Adverts are a very effective way to spread the news about the products in your Zen Cart shopping cart. You will never need to think about creating ads again. **I guarantee you will sell more from your Webstore.**

Yet surprisingly, all these benefits are yours to enjoy immediately and at no cost.

### **Why offer this for free?**

It's a great question, with a simple answer. We want to grow our user base as quickly as possible. You can always upgrade to our Premier Services to make even more of your advertising, but our commitment to you is that all of your adverts will be of the highest quality right from the start. We hope to noticeably increase YOUR sales.

So.
